This action is responsive to the communication filed March 6, 2003.

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim 1 is rejected under 35 U.S.C. §102(b) as being anticipated by Kumada. Kumada shows a gas stick with identical 2-type on-off valves 42-1 through 42-5 and MFC 43 mounted on a base 41. The ports of valves 42-1 and 42-4 are in a plane along the line, and are on either side of MFC 43, and have coplanar bases. Base 41 is read as two "mounts" integrally joined together in that the valves are mounted thereon, and the flow passages 46 together with the tubes 45-1 to 45-4 are read as joint members in that they provide fluid communication between the valve ports.

Applicant's remarks have been fully considered but are not deemed to be persuasive. As to a), Kumada has selected three two port valves 42-1, 42-3 and 42-4, which fairly responds to the claim language. As to b), Figure 6 shows the two port valve with ports 65a, 65b on the bottom. The claim language does not require any more valves. As to c), see Figure 6. As to d), Kumada certainly shows valve mounts since they are mounted to 41. Further, an integrally formed structure can reasonably be described as the sum of its parts, i.e. a circle is two semicircles. Lastly, 41 has channels 46 and they communicate

adjacent valves. There is nothing in the claims precluding external tubes in addition to the channels.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 C.F.R. § 1.136(a).

A SHORTENED STATUTORY PERIOD FOR RESPONSE TO THIS FINAL ACTION IS SET TO EXPIRE THREE MONTHS FROM THE DATE OF THIS ACTION. IN THE EVENT A FIRST RESPONSE IS FILED WITHIN TWO MONTHS OF THE MAILING DATE OF THIS FINAL ACTION AND THE ADVISORY ACTION IS NOT MAILED UNTIL AFTER THE END OF THE THREE-MONTH SHORTENED STATUTORY PERIOD, THEN THE SHORTENED STATUTORY PERIOD WILL EXPIRE ON THE DATE THE ADVISORY ACTION IS MAILED, AND ANY EXTENSION FEE PURSUANT TO 37 C.F.R. § 1.136(a) WILL BE CALCULATED FROM THE MAILING DATE OF THE ADVISORY ACTION. IN NO EVENT WILL THE STATUTORY PERIOD FOR RESPONSE EXPIRE LATER THAN SIX MONTHS FROM THE DATE OF THIS FINAL ACTION.
